DIRECTORS' ANNUAL REPORT FOR THE PERIOD ENDED 31ST MARCH 2020

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Directors present their report and financial statements for the year ended 31 March 2020. The Directors, who are also Trustees for the purpose of charity law, are set out on page 2.

Governing Document

The organisation is a charitable company limited by guarantee, incorporated on 25 March 2013 and registered as a charity on 23 October 2013.

The company was established under a Memorandum of Association, and is governed under its Articles of Association. As a company limited by guarantee, Crieff Community Trust does not issue shares. Members are required to contribute an amount not exceeding £1 in the event of the company being dissolved while they are members or within 1 year of their membership ceasing.

Recruitment and appointment of Directors and Trustees

Member Directors may be elected by Members at the Annual General Meeting. The Board may appoint additional Member Directors at any time, up to a maximum of 12 Member Directors. The Board may also appoint up to 3 Co-opted Directors, who need not be Company Members.

Organisational Structure

The company is controlled by the Board of Directors. The Board normally meets monthly, with a quorum of 5 Directors required for business decisions. The activities of the company are carried out through Action Groups consisting of volunteer members. The Board is accountable for ensuring that these activities are well managed and are consistent with the company's objects.

OBJECTIVES AND ACTIVITIES

The objectives of Crieff Community Trust are:

- (1) The advancement of community development including the advancement of rural regeneration principally within the Community;
The advancement of citizenship
- (2) The advancement of the arts, heritage, culture and science
- (3) The advancement of environmental protection or improvement
- (4) The provision of recreational facilities, or the organisation of recreational activities, with the object of improving the conditions of the life for the persons for whom the facilities or activities are primarily intended

Main Activities and Achievements

The main activities of the Trust are derived and prioritised through consulting the Crieff community on a regular basis.

In 2019–20 the Trust employed two members of staff through grant funding.

A Project Development Officer (PDO) supported by the Scottish Government's Strengthening Communities Fund which became the Investing in Communities Fund in October 2019. This post is key in addressing themes identified as priorities for the Crieff community which include regeneration of derelict buildings in the town centre through empowerment of community groups to develop skills and implement future regeneration projects.

A Community Development Officer (CDO) supported by Rural Perth and Kinross LEADER Programme 2014-2020 and the Big Lottery Fund. This role includes the management and development of our coworking space, Can Do Crieff, building volunteer capacity and progressing the new updated Crieff Community Action Plan.

The main activities carried out in 2019–20 by Crieff Community Trust are:

Former Drummond Arms Hotel

For the past nine years, members of CCT have worked tirelessly to navigate countless obstacles to take ownership of the once much-loved town centre hotel. A listed building where Bonnie Prince Charlie's army held court before the Battle of Culloden, it has been empty and neglected since 2002 and on the national Buildings At Risk Register. It has fallen into major disrepair becoming unsafe and causing numerous call outs by the Police and Fire Brigade.

The community identified the Drummond Arms as being the top priority for the town in the Crieff Community Action Plan which in 2014 enabled the Trust to acquire a Community Right to Buy on the building. This process gave the Trust an opportunity to purchase the property in October 2019.

Since then CCT has never given up to find a solution to the Drummond Arms, carrying out feasibility studies, acquiring funding and developing partnerships. It's been a long and difficult process and a huge learning curve. The process has tested our tenacity, resilience and stamina.

In August 2019, the Trust set up a trading subsidiary, Drummond Arms Regeneration Limited, to take ownership, carry out immediate works to make the building safe, carry out site condition surveys and to manage further feasibility on what might be possible in the building.

At this time, CCT was fortunate to receive £600,000 in financial support from Perth & Kinross Council's Town Centre Fund which has contributed greatly to the efforts to make the building safe while a solution to the future of the site is determined.

An options appraisal is being carried out by a professional design team to determine possible options for future sustainable development of the building. Condition surveys have determined that in a conservation context the building is salvageable. The stone superstructure remains in good condition, the roof is repairable with a caveat of around two years, but unfortunately all internal elements must be stripped out. The extent of dry and wet rot plus extensive asbestos and floor collapses mean internally the building is unsafe, inaccessible and costly to remove.

The options appraisal continues to look at how the large conservation deficit (difference between the cost of the development and the value after completion) can be obtained from heritage funders and also seeks to ascertain the best end-use establishing if the building is indeed economically salvageable.

CCT is extremely grateful for the support of Perth & Kinross Council, our generous funders, the local community, our dedicated staff team and a host of professionals who have given expert advice and assistance throughout.

Co-working in Crieff

Our coworking space, known as Can Do Crieff has now been open for over a year, providing flexible, affordable and professional desk spaces and meeting room to our members. We now have 17 members, who include business owners, entrepreneurs, self employed people and remote workers, who use the shared office space, rather than commuting long distances, working from home or spending large sums on renting private office space. It is a supportive environment for new businesses and encourages people to use other businesses in our town centre.

Crieff Community Action Plan

The previous plan covered 2013–18. Following discussions with a number of groups and individuals, we are now working on a new plan that, whilst following on from the first plan, will take a very different form.

We are keen to ensure that the new Action Plan is a useful resource for as many organisations in the town as possible – a plan that helps local groups set their priorities,

plan their work, connect with other local groups and, perhaps most importantly, secure funding.

The new CCAP will include:

1. A web based database of existing data, consultations, reports and plans that relate to Crieff and our community. Bringing this information together in one place will make it more accessible to groups who work in Crieff. It will also help us identify any gaps.
2. A list of statutory and voluntary organisations that are active in Crieff and the surrounding area, their current activities and future plans. This will help us all make new connections, build relationships and co-ordinate activities. Where appropriate, this information would be made available online.

We have formed a group of representatives from various local organisations to help us gather this information. Members of this group cover many different sectors including young people, heritage, environment and the arts. Members of the group have been asked to gather information from their own organisation and other organisations they have relationships with to ensure that their sector(s) are well represented in the CCAP. This collaborative approach will ensure that the plan becomes an invaluable tool for the whole community.

Participatory Budgeting

Funded by the Scottish Government's Community Choices Fund 2018–19 CCT distributed £42,000 to 19 groups via the participatory budgeting process, Cash for Crieff. The successful grantees completed their projects in March 2020 covering a wide range of valuable community activities benefiting people from all walks of life through various existing groups in the community.

An impact evaluation of the social capital of the participatory budgeting process was carried out by Assist Social Capital. This evaluation showed that most grantees were better connected to other groups, felt more informed about what else was going on in the community and felt their voice was heard as a result of Cash for Crieff.

Community Woodland & Paths

During the year The Trust has continued working to improve the community-owned Turretbank Wood, although activities in February and March have been curtailed due to the Covid-19 restrictions.

Earlier funding awarded by Foundation Scotland in 2018 allowed CCT to commission a Maintenance Report into the health of trees greater than 150mm trunk diameter. This report identified some 40 trees requiring maintenance with different priorities. Those prioritised for attention within 1 month and 6 months were completed and included in our Annual Report for 2019. The maintenance activities for the remaining 20 trees identified as Priority 4 were recommended to be actioned within a year or when funds were available. An anonymous donation of £5220 concluded our fundraising efforts for this Priority 4 work and allowed the Trust to award the maintenance work to TD Trees and Land Services Ltd in November

2019. The work was completed in January 2020 together with the provision of increased access in the areas of blackthorn in the meadow.

In December 2019 The Trust was awarded £250 from the Coop's Community Donations Programme to install a bench in Turretbank Wood. This will be carried out once the Covid-19 restrictions are lifted.

In addition, during the year the Trust has been working to develop and maintain the path network. Thanks must go to the Volunteer Paths Group for their hard work and support. Working with the new Countryside Ranger, the Paths Group has been busy removing leaf mould and clearing drainage ditches to maintain the popular paths around Crieff. In addition a training session to ensure volunteers had the requisite skills when using strimmers, leaf blowers and flails was held by the Countryside Ranger on 3 September 2019.

The Trust is also working with the Community Greenspace Team at Perth and Kinross Council to develop the designated core path between Trowan and Comrie. The Trust also continues to investigate the best way to form an all abilities link from Turretbank Wood to the rest of Lady Mary's Walk as the existing route is quite unsuitable for many, and is prone to flooding. The Trust's battle against the non-native species Himalayan Balsam at Turretbank Wood entered its third year. The Trust would again like to thank all those who helped to remove Himalayan Balsam in this latest campaign, including the school children and their teachers for their assistance and hard work as part of their Civics Programme. There were 18 sessions programmed to start in June 2019, each 2 hours long across 6 days. It appears that after 3 years, the hard work may be paying off as 2 of the scheduled days had to be cancelled due to the lack of Himalayan Balsam. The Trust awaits the 2020 summer blitz with interest.

Organisation Development

In addition to the activities carried out for the benefit of Crieff in the past year, CCT Trustees have, with the help of their staff, continued to work on organisational development, governance and creating and implementing policies to strengthen the Trust so it is a solid resilient organisation for Crieff for years to come.

The Trustees participated in a series of strategic and organisational workshops with DTAS and Community Enterprise to review CCT's vision, values, strategy and priorities.

The Trustees also reviewed and changed CCT's Articles of Association to comply with the Land Reform Act which were formally accepted at the AGM in August 2019 and published on the CCT website.

FINANCIAL REVIEW

Summary

In its seventh year of operation, the Trust has covered its operating costs and maintained its unrestricted reserves through a successful fundraising bag pack at the local Co-op. In addition a donation of £5,220 for the maintenance of Turretbank Wood was received from an anonymous donor. In its second year of operation, the Can Do Crieff coworking space continues to increase its revenue. Rent for Can Do Crieff is fifty percent funded by LEADER. The second and final tranche of Big Lottery Medium Grant fund was received in April. The Investing in Communities Fund (formally known as the Strengthening Communities Programme) continue to fund a Project Development Officer. Unrestricted reserves at the end of the financial year are £11,482.

Trustee Remuneration and expenses

No trustees received any remuneration.

Policy on reserves

We aim to maintain reserves equivalent to 1 year's unrestricted expenditure. This policy will be reviewed annually, and revised if our circumstances and assessment of financial risk change significantly.

Statement of Directors' Responsibilities

Company law requires the Directors to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charitable company as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial year. In preparing those financial statements, the directors should follow best practice and:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent; and
- Prepare the financial statement on the going concern basis unless it is not appropriate to assume that the company will continue on that basis.

The Directors are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006 and the Charities and Trustees Investment (Scotland) Act 2005. The Directors are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Directors and Trustees and signed on their behalf:

Independent Examiner's Report to the Trustees of Crieff Community Trust

I report on the accounts of the charity for the year ended 31 March 2020 which are set out on pages 10 to 15.

Respective responsibilities of trustees and examiner

The charity's trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006.

The charity trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the 2006 Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44 (1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations
 - to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations have not been met, or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to the Accounts

1. Accounting policies

Basis of accounting

These accounts have been prepared on the basis of historic cost, in accordance with Charities SORP (FRS 102) that applies the Financial Reporting Standard applicable in the UK and Republic of Ireland and the Charities Accounts (Scotland) Amendment Regulations 2014.

Incoming resources

Incoming resources are included in the Statement of Financial Activities when the Trust becomes entitled to the resources and the amount can be quantified with reasonable accuracy.

Expenditure and liabilities

Liabilities are recognised as soon as there is a legal or constructive obligation requiring the Trust to pay out resources.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Restricted funds are subject to restrictions by the donor on their expenditure.

Tangible fixed assets

Tangible fixed assets are included at cost and are depreciated by equal annual instalments over their estimated useful lives, which are:

Fixtures and fittings	10 years
Computer equipment	4 years

The value for capitalisation of assets is £1,000

VAT

The Trust is not registered for VAT and accordingly costs are stated inclusive of applicable VAT.

Taxation

The Trust is recognised as a charity by HM Revenue and Customs and is exempt from Corporation Tax. No provision for taxation has been made in the accounts.

Pension costs

The Trust participates in the National Employment Savings Trust pension scheme.
