

# Crieff Community Action Plan 2021-2026 COMMUNITY VIEWS WANTED!

## Who is carrying out the Survey?

The Survey and Action Plan are being carried out by Crieff Community Trust in partnership with other local community groups. The Survey is open until Monday 14 December 2020

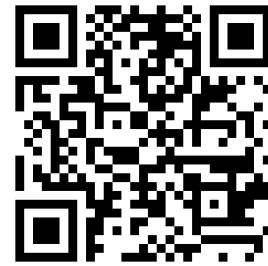

### Your Views Really Matter

The survey results will be used to help put together a new Crieff Community Action Plan to replace the 2013-2018 plan. This process will identify new priorities for development in Crieff over the next 5 years.

An updated Community Action Plan will help local groups to continue to secure funding and support for the main projects and developments that people would like to see.

The Action Plan will also be useful in the community making representation to and working in partnership with other agencies who also have an interest in supporting Crieff to be a great place to live in, work in and visit.

**The Survey can also be completed quickly online or use the QR Code**
